

THE CHANGEMAKERS CLUB

Every journey has a beginning. Ours started in the serene, rugged beauty of the Garhwal Himalayas—a region that, despite its fame as a tourist paradise, hides stories of struggle and resilience beneath its breathtaking landscapes.

In February 2024, as we travelled through these mountains, meeting people, exploring villages, and understanding their lives, we discovered an uncomfortable truth: while the world marvels at the Himalayas, the communities here face battles that remain unseen. Health services are scarce; opportunities for livelihoods are limited; and the fragile environment, so essential to life here, is under constant threat.

This wasn't just a trip—it became a turning point. We realized we couldn't simply leave these stories behind. The Kufion Charitable Trust was born from the conviction that we could, and must, make a difference.

THE UNSEEN CHALLENGES

The majestic peaks and serene valleys often hide a harsh reality:

- Women walking hours to reach the nearest healthcare facility.
- Youth leaving their ancestral villages because there's no livelihood to sustain them.
- Degraded lands and increasing waste tarnishing the pristine environment.

Despite its popularity as a tourist hub, the region's core challenges remain the same.

WHY WE NEED YOU

Our work has started to bring hope—early cancer screenings in remote areas, engaging communities in sustainable practices, and exploring livelihood opportunities. But the challenges here are far too big for us to solve alone. That's why we're inviting you to be part of something special: **The Changemakers Club**.

WHAT IS THE CHANGEMAKERS CLUB?

It's not just a contribution—it's a community. By joining, you become part of a collective effort to transform the Himalayas for the better.

With a small, heartfelt commitment of **₹1.5 lakh** spread across three years (**₹50,000/year**), you'll:

- Help bring life-saving healthcare awareness and services to remote communities.
- Empower local people with sustainable livelihoods.
- Support initiatives to protect and restore the Himalayan environment.

Why Join Now?

Because the Himalayas need us today, not tomorrow. And because the stories we've seen—the mother who walked 20 kilometers for a simple check-up, the farmer struggling to make ends meet on degraded land, the youth yearning for opportunity—deserve to be rewritten. Together, we can give these stories a different ending.

A Shared Journey This isn't just our journey—it's yours too. Your support will help us take health services to the last mile, empower local leaders to sustain their villages, and ensure the region's natural beauty is preserved for generations to come.

What You'll Receive

- **Connection:** Real stories of lives changed because of your support.
- **Recognition:** Your name as a Changemaker on our platforms.
- **Experience:** Invitations to visit the region, meet the people, and see the impact of your contribution.
- **Legacy:** Knowing you've played a vital role in shaping a brighter future for the Himalayas.

This isn't just a donation—it's an opportunity to walk with us on a path of transformation. To stand with the Himalayas and its people. To become a part of their stories of resilience and hope.

Will you join us? Will you be a Changemaker?

Please ping us on any of the following numbers and we will be happy to connect with you.
